

# Fundraising Terms and Conditions

## Fundraising:

- You should only use lawful means to fundraise for NET Patient Foundation and should not do anything which could potentially harm the charity's reputation.
- Your fundraising cannot include door to door collections, street collections (without first obtaining written consent from the local authority), collection on private property (without first obtaining written consent from the property owner) or conducting a raffle or lottery at a public event.
- If you are using NET Patient Foundation's donation tins, buckets or sponsor forms then all the money collected must be donated to NET Patient Foundation.
- If you are fundraising for more than one charity then you will need to make this clear to the donors/sponsors and how the money will be shared.

## Health and Safety

- If you are planning an event then you will need to ensure that your safety and the safety of those taking part is of the utmost priority and that a risk assessment has been completed, if necessary.
- If you are undertaking a physical fundraising activity then you should consult your doctor and ensure that it is safe for you to take part and you should train for the activity accordingly.

## Personal Data

- All information provided by you to the NET Patient Foundation will be securely kept on the NET Patient Foundation database.
- We will not share your details with anyone, in accordance to UK law.
- We may use your name, pictures, feedback and comments in any future publicity or fundraising materials, including on the internet and social media.
- To see our Privacy Policy, please visit our website [www.netpatientfoundation.org/privacy-policy](http://www.netpatientfoundation.org/privacy-policy)

**Thank you for choosing to fundraise for
